## Lynch The Jena 6 We Are Anxiously Awaiting Their Release

Jena, Louisiana -- The American National Socialist Workers Party anxiously awaits the release of the Jena 6 niggers, responsible for an unprovoked assault on a white high student, so the six can face true justice.

"If these niggers are released or acquitted, we will find out where they live and make sure that white activists and white citizens in Louisiana know it," ANSWP Commander Bill White stated today, "We'll mail directions to their homes to every white man in Louisiana if we have to in order to find someone willing to deliver justice."

The six niggers involved in the crime are currently being held pending trial on felony charges of assault.

Nigger agitators across the country, financed and supported by Jewish and homosexual communists like the leaders of the Southern Poverty Law Center, have organized rallies to demand the niggers involved in the assault be acquitted of their crimes.

"Those niggers are much better off in the hands of the justice system than they are in the hands of the white citizenry of this nation," ANSWP Commander Bill White stated, "And we intend to make sure they know that."

## Writer Arrested After Sending Violent Fiction Over Internet

By PETER H. LEWIS

A University of Michigan student who was jailed after publishing a sexually violent work of fiction about a classmate on the global Internet computer network was denied bail yesterday.

Magistrate Thomas A. Carlson of Federal District Court in Detroit said that although the student, 20-year-old Abraham Jacob Alkhabaz, who uses the name Jake Baker, had never physically approached or spoken with the classmate, the writing suggested that Mr. Baker was "disturbed" and "dangerous," and that he was "a ticking time bomb waiting to go off."

Mr. Baker, a sophomore from Boardman, Ohio, was arrested in

stuff," and that he had never spoken to the woman whose name he used.

The Michigan Daily newspaper reported that Mr. Baker's story involved "torturing a woman with a hot curling iron, and mutilating and sodomizing her while she is gagged to a chair."

A University of Michigan alumnus in Moscow was browsing alt.sex.stories in Russia, saw the story, noted its origin and alerted school officials. Campus police and Federal agents were asked to investigate.

In an affidavit, an F.B.I. agent, Greg Stejskal, said that in addition to filing his story Mr. Baker had an electronic exchange of messages with subscribers to alt.sex.stories in

Abraham Jacob Alkhabaz, who uses the name Jake Baker.

From "Grandstaff":

"She's shaking with terror as Jerry and I circle her. She's almost completely nude now ... Jerry and I snap pictures of her tiny trembling body from all angles.

Jerry grabbed a handful of her hair and pulled her face up ... Her eyes, barely human, begged him to stop. He laughed aloud and gave her a firm smack. Her head jerked sideways ...

“C’mon, man, let’s go.” ... So we got the gasoline and spread it all over Erin Grandstaff’s apartment. We chucked it over her. It must have burned like hell when it came into contact with her open cuts ...

“Goodbye, Erin” I said, [&] lit a match...

Baker to "Arthur Gonda" (12/94):

"I've started ... going back and re-reading earlier messages of yours.

Each time I do, they turn me on more and more. I can't wait to see you in person. I've been trying to think of secluded spots, but my area knowledge of Ann Arbor is mostly limited to the campus. I don't want any blood in my room, though I have come upon an excellent method to abduct a bitch ...

As I said before, my room is right across from the girl's bathroom. Wait until late at night, grab her when she goes to unlock the door. Knock her unconscious and put her into one of those portable lockers (forgot the word for it), or even a duffle bag. Then hurry her out to the car and take her away ... what do you think?"

“Arthur Gonda” replies:

“Hi Jake. I have been out tonight and I can tell you that I am thinking more and more about ‘doing’ a girl. I can picture it so well ... and I can think of no better use for their flesh. I HAVE to make a bitch suffer!”

Baker to Gonda:

“I highly agree with the type of woman you like to hurt. You seem to have the same tastes I have. When you come down, this’ll be fun!

Also, I’ve been thinking. I want to do it to a really young girl first. 13 or 14. Their innocence makes them so much more fun and they’ll be easier to control. What do you think?”

Gonda replies to Baker:

“I would love to do a 13 or 14 year old. I think you are right. Not only their innocence but their young bodies would really be fun to hurt. As far as being easier to control... you may be right, however you can control any bitch with rope and a gag. Once they are tied up and struggling we could do anything we want to them... to any girl. ... BTW how about your neighbour at home?”

Baker replies to Gonda:

“True. But young girls still turn me on more. Likely to be nice and tight. Oh. They’d scream nicely too!

Yeah. I didn’t see her last time I was home. She might have moved. But she’d be a great catch. She’s real pretty. With nice long legs and a great girly face ... I’d love to make her cry ...”

Baker to Gonda:  
“Just thinking about it anymore  
doesn’t do the trick ...  
I need TO DO IT.”

# The Miss Vermont Story

We saw each other somewhat consistently over the next few weeks. It was a relationship defined very much by sex. After our first two dates, it shouldn't be difficult to see why. She could not get enough of me, especially sexually, and I was a big fan of her always eager body. Contrary to what it may seem like from the story thus far, she was very inexperienced with sex. With me, she was experiencing a whole new world. For example, consider these VERBATIM quotes:

"I didn't know what sex was before you."

"You're like a disease. A Tucker sex disease."

"You infiltrate me and my body craves you. You're an addiction."

She loved sex with me because I was apparently much better than anyone she had ever been with. She claimed that she had been with only 2 guys before me, and given the facts I observed over the next few weeks, I believed her. It has nothing to do with her outward persona—please. Fucking me in the back of a Ford Explorer five hours after meeting me demolished any ability for me to take her abstinence and chastity bit seriously. But there were numerous other things that pointed to her inexperience. She was very schizophrenic about sex. One day, she'd want to fuck every minute of every hour, not caring if we ate or slept. Two days later, she wouldn't come home with me after a date. It was like she couldn't resolve the battle in her consciousness, and vacillated between sides.

first of all you don't need to see my face or know my stats because when I'm done with you you wont care. If you cant tell that I can give you what you want, then you deserve whatever lame ass fucker you get. I can talk nice to you just long enough to get the info I need and then you will find out what it is really like to be dominated and abused. and I promise that if I come over and you do not give me all I ask for you will be punished. I just hope you are up for it cause I have a LOT of stamina. If you like what you are reading send me a face pic. If I like it I will write you back to get directions so I can find you for both of our pleasure.
