Looking for *Installing, Configuring, & Using Brackets* by Scott Granneman?

I've moved it to a new location:

» Slides: https://www.granneman.com/downloads/web-dev/Brackets.pdf
» Notes: https://www.granneman.com/downloads/web-dev/Brackets.txt

If you're seeing this, I missed updating a link, so please let me know at scott@granneman.com what page you were on when you clicked on the link & I'll fix it. Thank you!
