

Looking for *CSS Preprocessors: Extending CSS with Sass to Provide Extra Functionality* by Scott Granneman?

I've moved it to a new location:

- » Slides: <https://www.granneman.com/downloads/web-dev/CSS-Preprocessors.pdf>
- » Notes: <https://www.granneman.com/downloads/web-dev/CSS-Preprocessors.txt>

If you're seeing this, I missed updating a link, so please let me know at scott@granneman.com what page you were on when you clicked on the link & I'll fix it. Thank you!
